

REMARKS/ ARGUMENTS

The foregoing amendment and the following arguments are provided to impart precision to the claims, by more particularly pointing out the invention, rather than to avoid prior art.

35 U.S.C. § 103(a) Rejections

Examiner rejected claims 1-3, 6-9, 11-13, and 15 under 35 U.S.C. § 103(a) as being unpatentable over U.S. Patent 5,815,126 (hereinafter "Fan") in view of U.S. Publication 2002/0055215 (hereinafter "Tamura").

To establish *prima facie* obviousness of a claimed invention, all the claim limitations must be taught or suggested by the prior art. *In re Royka*, 490 F.2d 981, 180 USPQ 580 (CCPA 1974). (Manual of Patent Examining Procedure (MPEP) ¶ 2143.03).

Independent claims 1, 8 and 13 of the present application include limitations not disclosed or taught by the Fan nor Tamura. As a result, applicant's independent claims 1, 8 and 13 are not anticipated by Fan, and are patentable over Fan in view of Tamura.

In particular, applicant's amended independent claims include the limitations of a receiver to receive a display command *through a wireless Bluetooth link, including to receive a compressed bitmap file for a video frame.*

The examiner indicates that Tamura discloses a Bluetooth link. However, the Bluetooth link in Tamura does not disclose nor suggest using a wireless Bluetooth link to transfer video data, as is claimed by applicant.

Therefore, applicant's independent claims 1, 8 and 13 include limitations that are not disclosed nor suggested by the Fan nor Tamura, and independent claims are patentable over Fan in view of Tamura.

Applicant's remaining claims depend from at least one of the independent claims discussed above, and therefore include the distinguishing claim limitations as discussed above. As a result, Applicant's remaining claims are also patentable.

CONCLUSION

Applicants respectfully submit the present application is in condition for allowance. If the Examiner believes a telephone conference would expedite or assist in the allowance of the present application, the Examiner is invited to call John Ward at (408) 720-8300, x237.

Authorization is hereby given to charge our Deposit Account No. 02-2666 for any charges that may be due.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN
